

Protective Behaviours survey

Protective Behaviours

1. Do you teach Protective behaviours in your classroom? (Please circle)

Yes	Sometimes	No
-----	-----------	----

2. When I teach protective behaviours (please circle all that apply)

I am anxious	Feel ok about teaching it	I run the program once a week for several weeks	It is a once year program
I am fearful of what might come out in the classroom environment	I feel confident I can deal with any disclosures	I can manage the classroom, so no-one is vicariously affected	I really enjoy teaching protective behaviours
I teach Protective Behaviours by myself to my class	I practise it daily	I read and keep updated on all lesson plans	I am always looking for new ways to teach Protective Behaviours

3. How would you rate your students learning experience (please circle)

They complete the work	They are engaged by the topics	They are not that interested in the topics	It dysregulates them	They are interested and find it practical
------------------------	--------------------------------	--	----------------------	---
